Rural Texas Animal No Kill Animal Rescue Foster Agreement

Please check the box on each line indicating you agree to Rural TANK's terms.

- I am at least 18 years old with a valid driver's license.
- I have never been convicted of a felony or been charged/convicted with any sort of animal abuse/cruelty.
- I agree that if I decide to adopt the foster animal that I will abide by all rescue guidelines including, but not limited to, keeping the dog on heartworm and flea/tick prevention, having the animal fixed when age appropriate, and keeping the animal up to date on vaccines.
- I agree to allow Rural TANK to do a home visit prior to fostering and as needed thereafter.
- I agree to contact Rural TANK immediately if the animal becomes ill, bites someone or goes missing.
- I will provide fresh food, fresh water, fresh litter, plenty of exercise and playtime daily, and give medication as directed when applicable.
- I agree to provide updates to Rural TANK on the animal's progress, and contact Rural TANK with any questions or concerns.
- I agree to always transport this animal safely whether it be in carrier, kennel, crate or restrained in a vehicle in a proper manner.
- I am aware that a foster animal will need time to adjust to new routines, new family and new surroundings. In addition, I am aware that the animal may need training in basic house manners. (Rural TANK asks that you keep the animal for a minimum of seven (7) days to give the animal time to adjust.)
- I agree to carefully introduce the new animal to the existing dogs and cats, children and household members.
- I understand that Rural TANK will find this animal a home and that I am not to adopt or give away this animal to anyone not approved by Rural TANK.
- I understand that Rural TANK will pay for any medical expenses that may arise ONLY if the animal is taken to a vet approved by Rural TANK, except in the case of a life-threatening emergency.
